

## 57th Annual Meeting Election

### AND THE NOMINEES ARE . . . .

**Mike Ayers:** I was employed by Intermountain Gas for more than 37 years. I have been a member of the credit union for all those years..and more! As a current board member, I believe the credit union provides all of us a wide range of financial services that are delivered on a more personal basis than most other financial institutions. I would be proud to continue to serve as a board member.

**Deborah Herring:** Since 1995 I have been employed at West Valley Medical Center. West Valley is a leading employer in our community and a great place to work. As a long time member of the credit union, I would be proud to represent the employee-members from West Valley while having a hand in maintaining the financial integrity of the credit union, as a board member.

**Rick Shelton:** For the past 30+ years I have been employed at Intermountain Gas Co. I was first elected to the board 12 years ago and feel we have done an excellent job of serving our members in challenging times. I would like to continue the work we are doing, keeping our credit union healthy and growing.
